

Newsletter

October 11, 2025

I'm new to the Preston Bowls board of directors and I've volunteered to take on the communications role. Hence this newsletter.

My intention is to make the newsletter informative (hopefully!) and I welcome any and all suggestions.

Notable Achievements in 2025

Our 115th anniversary included the following:

1. Our Tuesday league introduction was a resounding success. Kudos to Lance Vibert for rounding up the posse needed to make this work and work it did!
2. Let there be light. And it's new. Let us know your opinion on whether things have become clearer.
3. City grants allowed us to install new benches and a wheelchair accessible ramp into the clubhouse.
4. Our membership grew by an outstanding 92%!!

The Fun Continues

A reminder that the indoor programs begin the week of Oct 13. The two options are regular lawn bowling and short mat bowling. Both activities take place at The Yard Athletic Centre which is located at 777 Lawrence St. Cambridge.

- Regular lawn bowling is played on Tuesdays, starting Oct 14, and ending Apr 28, between the hours of 1:00 and 3:00 pm (holidays excepted). Cost per game, per bowler is \$10. Bring your own bowls. Be attracted by the allure of cash prizes for the top bowlers!
- Short mat bowling starts on Oct 15 and runs until Apr 29 (holidays excepted). Hours of operation are also 1:00 - 3:00 pm. Cost per game, per bowler is \$5. Bring your own bowls as there is only a limited supply available at the Centre.

Break Out the Party Favours!

Put on your party face and join us for the 2025 closing banquet!

We are back at Ernie's Roadhouse at 7 Queen St W in Hespeler. This year the format is buffet style which means lengthy serving delays are avoided.

We will be gathering at **5:30 pm on Nov 4** and who knows when the lights get turned off.

NB (nota bene as Julius Caesar used to say) Ernie's needs to know headcount. So ... send an RSVP email to Pat Beaumont (patbeaumont@sympatico.ca) **before Oct 31.**

Until the next time.
